

# Dragon Express Couriers

**Founded:**

Year 1020 of the Skyborne Age

**Headquarters:**

Skyspire Peak, Dragons Roost

**Founder:**

Sir Alric Stormwing, Dragon Knight

**Revenue:**

10 million gold coins annually

**Industry:**

Magical Logistics & Transportation

**Overview:**

Dragon Express Couriers revolutionized delivery services by offering high-speed transport using trained dragons. The company ensures secure, instant delivery of high-value goods, royal decrees, and enchanted items across the land. Their elite fleet includes fire, frost, and storm dragons, each suited for different terrains and climates.
